RE: It's the 2008 Tiki-tastic Thomas Scott Memorial Golf Tournament!
FOR: Immediate Release

The 2008 Thomas Scott Memorial Golf Tournament...it's Tiki-tastic!!

The Thomas Scott Foundation, Spring Creek Golf Course and PGA Professional Jason Jerman invite everyone to come participate in Nevada's most unique and fun golf tournament...the annual, Thomas Scott Memorial Golf Tournament, Saturday, August 9, at the Spring Creek Golf Course. Registration begins at 6:30 am with an 8 am conch shell start. Cost is \$40 per person and includes a luau-style lunch, a free golf lesson, and a tournament goody bag. Cart and green fees are extra.

The tropical-themed 2-person scramble features an auction; contests for longest drive, longest putt, and closest to the hole; and team chamber check prizes for low net and gross scores with the top teams netting \$200 each. Special theme holes include: Tiki Tees, Hula Hole-in-one for a Harley, and the Bloody Mary Mayhem hole.

Tournament proceeds benefit many organizations. In past years, the Thomas Scott Foundation has awarded monies to Great Basin College by means of a memorial scholarship, the Spring Creek Golf Course's Tom Scott Junior Golf Program and countless other organizations that demonstrate the TSF's mission statement, "To further academic and athletic opportunities for the youth of Elko County."

Earlier this year the TSF made a commitment to continue assisting the Junior Golf Program. "The donations are so appreciated Funds will be used for equipment and resources associated with the program", said Spring Creek Golf Course Professional and program coordinator Jason Jerman, "We really appreciate all the help the Committee has given us. You won't find a more fun tournament or better volunteers all for a great cause."

Besides the Junior Golf program, the foundation has donated to such organizations as; the Igloo, the Spring Creek High School Golf Team, the Gamble Oak Pony Club, the Cinderella Scholarship Pageant, the Silver Stage Players Relay for Life team, Sage Elementary School, Spring Creek Trap and Skeet, and Adopt a Family among others.

The Thomas Scott Memorial Golf Tournament is dedicated to and held in memory of Mr. Thomas Scott. An Elkoan for many years and underground miner for Newmont Mining Corporation, Thomas J. Scott was just 30 years old when he was suddenly taken from his family and friends in a tragic accident on January 9, 2001. Tom is survived by his wife, son and many friends who miss him. The tournament is a way of memorializing Thomas for his love of family, friends and life. Tom was not only a loving family man but an active member of the community.

Anyone wishing to donate a hole sponsorship, auction item, raffle prize or other services should contact the Tom Scott Foundation, the governing organization for the memorial. For more information please contact Chairman Jayson Stanton at 738-5962, Public Relations Director Frank L. Sawyer at 753-5474, the Spring Creek Golf Course at 753-6331 or on the web at: www.tomscottfoundation.org. The Thomas Scott Foundation is a proud member of the Elko Area Chamber of Commerce.

PGA Golf Professional Jason Jerman and members of the Spring Creek Tom Scott Junior Golf Program accept a donation check from the Tom Scott Foundation.
